

Atividade do modelo Sistema Solar

Entendendo o significado de uma escala: Duas casas de diferentes tamanhos para diferentes 'moradores'.

Fazer uma cópia da página seguinte para cada grupo.

Procedimento:

- Ligue cada um dos bichos à sua respectiva casa, de acordo com o seu tamanho.
- Desenhe outras casas para os outros animais que não estão de acordo, em tamanho, com as duas casas mostradas no desenho.

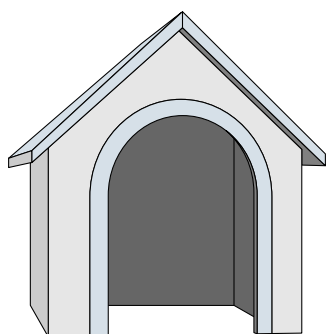

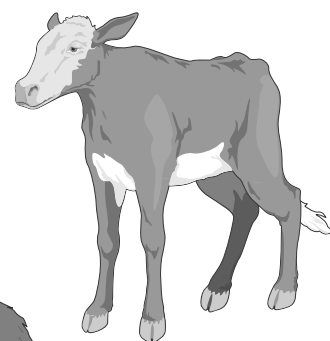

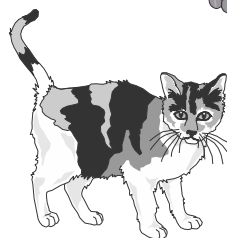

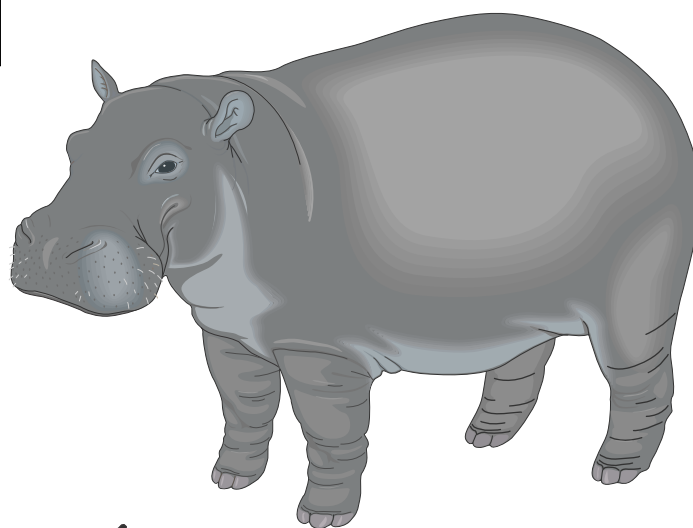

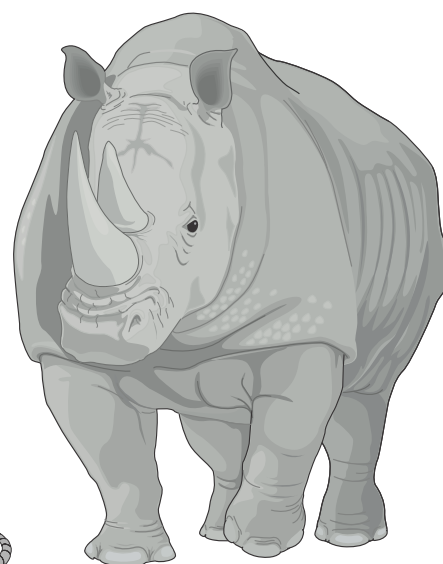

Este e outros materiais estão disponíveis para download no site do Laboratório de Mediação e Ensino de Ciências e Astronomia (Labmecca) - <https://modelos.astronomia.ufop.br/>

Cada bicho em sua casa!

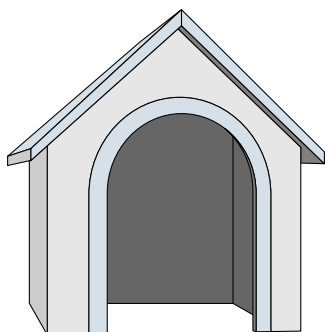

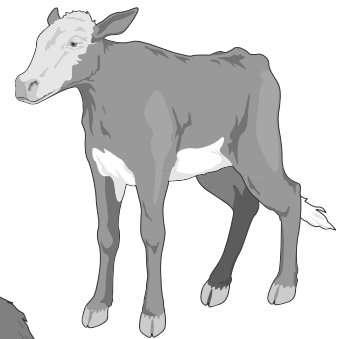

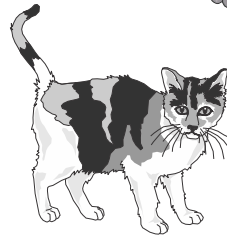

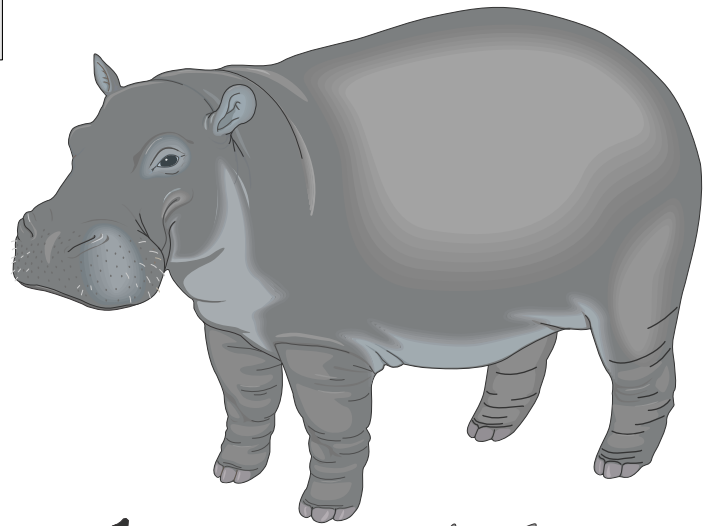

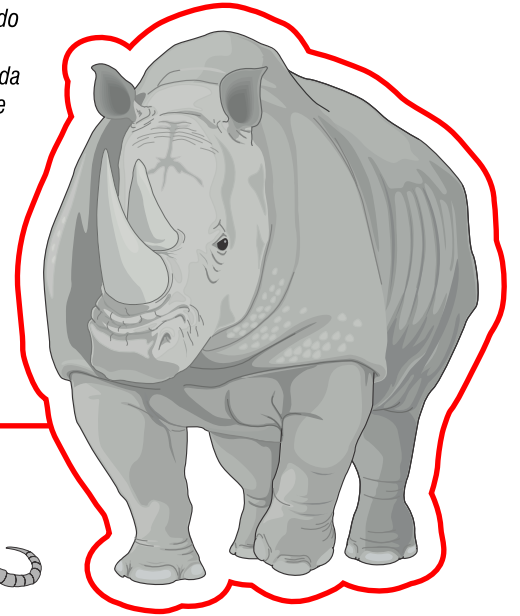

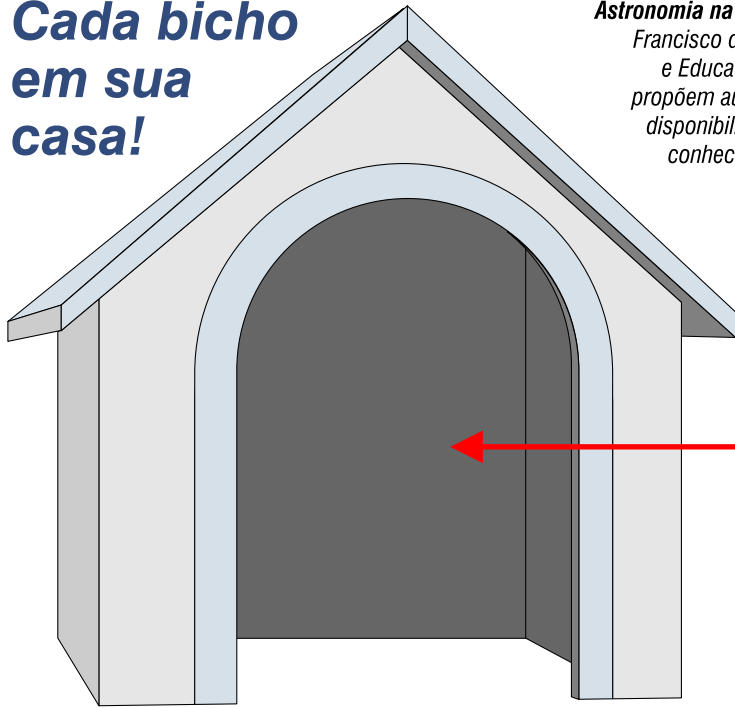

Astronomia na Praça, na Rua e na Escola

Francisco de Borja López de Prado e Educadores sem fronteiras propõem autonomia compartilhada disponibilizando aprendizado de conhecimentos para todos.
